

Leather bib specially tanned for heat resistance. Black anodized snaps and rivets do not corrode and prevent flashback. Snaps are reinforced with additional piece of leather while rivets are placed in high stress areas ensuring long life of garment. Coordinates with sizes 2XL and 3XL leather cape sleeves.

Features and Benefits:

- Heat resistant leather protects against spark and offers extended wear
- Sewn with Kevlar® thread for strength and durability
- designed to coordinate with leather cape sleeve
- Reinforced snaps and adjustable strap at back for secure fit
- Ideal for heavy welding activity
